NAVY MEMBER RECOMMENDATIONS:

AIR FORCE DRAFT POLICY TOWARDS SOVIET ORBIT

REPRESENTATIVES IN THE U.S.

Para. 2: Delete all after "should" and substitute, "be such as not to endanger, by evoking retaliatory measures thereto, the present intelligence collection capabilities of our representatives in Soviet Orbit nations".

Para. 3: Delete and renumber all succeeding paragraphs.

New Para. 4: Delete and rewrite as follows:

It is believed "4. That U.S. policy, for the present, and until increased restrictions on our personnel in the Soviet Orbit render a more stringent policy inevitable, be primarily directed toward conditions imposed on freedom of travel by Soviet Orbit representatives, these conditions to be on a reciprocal basis."

New Para. 6: Insert comma after "that", followed by phrase, "in general,".

Delete "and Rumanian", and substitute "Orbit Nation".

Add sentence: "A more restrictive policy has already been implemented with regard to Rumanian representatives on a reciprocal basis".

New Para. 8: Line 2: Delete "be permitted to".

Line 4: Delete "obtained written authority from", and substitute "notified".

Line 6: Delete "Requests for", and substitute "Notification of".

Line 7: Delete "48 hours" and substitute "three (3) days".

Subparagraph b, lines 10 and 11:

Delete, and substitute:

"b. Complete itinerary, including places to be visited, duration of trip, mode of travel, and stopping places enroute."

Subparagraph c, d, e, and f:

New Para. 9: Line 2: Delete "deemed"; insert " and practicable" after "necessary".

Delete "conjunction with the".

Add sentences to this subparagraph "To this end, the FBI shall, on receipt by any agency of a travel notification as mentioned above, immediately be ~~furnished copies of this notification~~ *notified*. Any deviation by Soviet Orbit representatives engaged in travel from notified procedures shall immediately be reported to the U.S. agency of primary concern, and to the Department of State".

New Para. 10: Delete "apprehended" and substitute "detected".

New Para. 12: Delete entirely.

The purpose of this is evidently to permit examination of Soviet Orbit property for security violations. This examination is either already done, or should be done, covertly by the FBI: such examination lies within established function and responsibility, and needs no further policy reinforcement. Any overt examination of hand luggage would be a violation of diplomatic immunity which should not be instituted as a sweeping policy matter when warranted by specific circumstances.

New Para. 13: Remumber to paragraph 12.
